I-30 CLOSURE IN ARLINGTON

All Lanes Closed For Bridge Removal

Sept. 7, 2021

WHEN: Friday, Sept. 10, 7 p.m. to Monday, Sept. 13, 5 a.m., weather permitting

WHERE: Interstate 30 from State Highway 360 to State Highway 161/President George Bush Turnpike ([detour map](#))

ARLINGTON – The Texas Department of Transportation (TxDOT) will close the east and westbound I-30 mainlanes from SH 360 to SH 161/President George Bush Turnpike from Friday, Sept. 10, 7 p.m. to Monday, Sept. 13, 5 a.m. for the removal of the northbound SH 360 frontage road bridge and the Six Flags Drive underpass, weather permitting.

Westbound I-30 motorists will be detoured to the southbound SH 161/President George Bush Turnpike frontage road (toll free during the detour), then to SH 180/Division Street, and then to FM 157/N. Collins Street. Motorists can then access westbound I-30.

Eastbound I-30 motorists will detour along Six Flags Drive and then reenter I-30 east of SH 360.

The Interstate 30/State Highway 360 interchange project is transforming the original cloverleaf design into a modern, fully-directional interchange with connection ramps for all movements between I-30 and SH 360. These improvements will increase safety, connectivity and mobility for motorists.

Motorists are urged to remain alert for changing traffic patterns as construction progress.

For up-to-date project information, current road closures and to sign-up for e-mail alerts on construction activity, log on to: keep30360moving.org.
